Take a Closer Look...

Welcome...What a year. The Millenium and Y2K, who knew life could be this crazy. All that hype, and nothing happened. I guess it depends on how you look at it to see if nothing happened. This book shows all the crazy things that happened at Lincoln College. For such a little place in Illinois we have a very big heart and do some great things here. We have a great faculty and staff that keep this place going and make the students feel successful and accomplished. This book shows us some of the wonderful things going on in the little town of Lincoln at this great big little college. You will see the lives of over 500 students all come together to form the LYNX - 2000. Such a proud moment for me and for the history of Lincoln College. I truely hope you enjoy looking back at some of these memoiries as much as you enjoyed making them. Welcome to the Millenium.

Hope you like it!!!
John J. Stephens

Campus happenings

Taking a closer look here at the Lincoln College campus can be an interesting thing. You will see all types of people and all sorts of things going on. From move in to move out this campus is constantly busy with intermural sports, dances, blood drives, bonfires, and anything imaginable. We have been so lucky to have someone like Angie Whiteman around to run our student center. She has really done a great job co-ordinating activities for the campus. Anything you want to do, she will set it up for you. Even for a small town like Lincoln, we have alot going on.

The Lincoln Dynamics had another great year. Under the Direction of Bill Buffington , the group performed at all three major concerts on campus and also taped a television special for channel 20 in Springfield. The group was once called the Lincoln College Choral, but this year the group voted on the new name of the Dynamics. This year was one of the biggest choirs ever on the Lincoln College campus and we hope it just keeps

The Lincoln College Express is in its 16th year of exsitance under the direction of Bill Buffington. Traveling some 40,000 miles have been traveled in the past 16 years. From Hawaii to Disney World they have been almost everywhere. With the theme of "ENCORE", the 14 members of Express put on a dynamic stage show with feature songs including "All Shook Up", "On The Sunny Side of the Street", "Walkin' On", and "America". The Express is backed up by the Posse their band. This year they traveled to many high schools recruiting and performing. They also made their annual trip to Walt Disney World in Florida where they performed to the first ever standing ovation by an outside group other than Disney. The Express also performed at Universal Studios and attended the Mardi Gras Parade there. They finished their action packed season with a performance at the Illinois Governor's mansion. This group started as a group of 14 talented singers and dancers and turned themselves into a family. Thanks for putting the smiles on faces around the world Express.

Under the direction of Mrs. Linda Buffington, the Lincoln Harmony performed at all three major concerts on campus this year. They had a great time and did a wonderful job with their shows this year. Congrats on all their success.

The Sophistikatz

Under the direction of Mrs. Linda Buffington, the Sophistikatz performed at all three major concerts on campus this year. They also toured to recruit at a few high schools and recieved standing ovations at all concerts. It was quite a year for them and we are proud they are on the Lincoln College Campus. Thanks Kats.

Lynx Soccer

The 1999 Lynx Soccer team began the year with a flurry by winning the 8th annual Domino's Pizza Classic. In the championship game we defeated Cincinnati State 3-2 in a thrilling come from behind victory. This was our 5th championship in 8 years. The Lynx placed 5 players on the all tournament team: Pat O'Neill, James Chambers, Leon Clark, Lee Jackson, and Tyrone Lord. Both LC and Cincinnati State were quality teams who went on to appear in the national polls.

At midseason LC was 5-2-1 and ranked 18th in the nation. The Lynx were then hit by injuries. At one point we had 8 players out with in juries. Of our 28 plaers, 23 eventually started at least 1 game. We played very well against many great teams. For Example, we lost 2-0 to Belleville Area College, #2 in the nation. and we didn't give up the second goal until very late in the match.

On a positive note, many of our freshman gained a tremendous amount of experience which should help us next year. Individually, sophomore James Chamabers earned 1st Team All-Region honors for his play at centermidfield. Sophomore forward Tyrone Lord, Freshman Defender Eric Wendt, and Freshman Midfielder Alex Sandoval were named to the All-Region Honorable-Mention Team. Freshman Reese Tripp was our leading scorer with 6 goals and 6 assists.

Looking towards the future, the Lynx return 14 freshman who starteded at least 1 game this year. We should have experience on our side in 2000. We are losing sophomore starters at forward,, midfield, and in defense. So there are holes which can be filled with another excellent recruiting year.

This year the Ambassadors were very involved with the L.C. Campus. They raked yards of local senior citizens with the student senate members, participated in the Relay for Life to raise money for the American Cancer Society, assisted with Open House days for prospective students and their families, gave campus tours, served as overnight hosts for prospective students, attended many of the athletic, fine arts, and student activities events on campus, and attended some high school visits with members of the Admissions personnel. Their efforts were vital to the success of the admissions office and are important to the campus community in general. Thanks for all you do!

The Lynx yearbook staff had another outstanding year taking pictures and getting information for the L.C. Yearbbok. Co-Student editors Jill Polhemus and Kelly Hines worked hard attending almost everything they could to take pictures for the book this year. Thanks so much to their efforts in making this book a great one.

GIANT TWISTER

Under the direction of Angie Whiteman, the students at L.C. never had any down time to get bored. From giant outdoor twister to Walmart runs. From Hypnotists to bonfires, the L.C. campus was always filled with fun activities. A special Thanks to Angie Whiteman and her staff at the student center for all their hard work at setting these activities up.

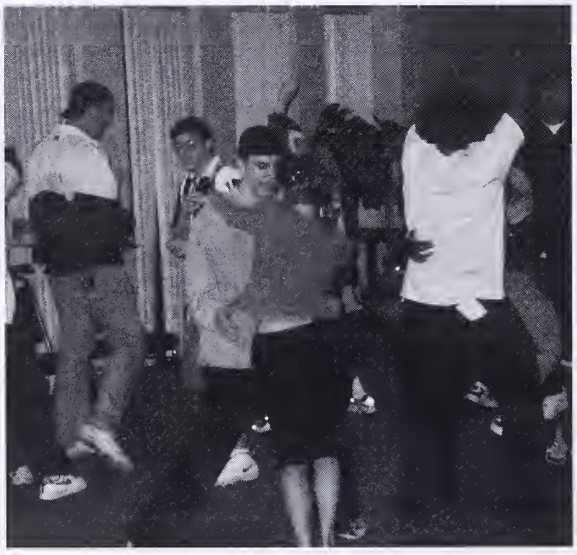
Hypnotists at L.C.

A favorite pastime at L.C. is to have a guest Hypnotist here to do a show at the Student Center. You never know what you will see from the Y.M.C.A to construction workers on the floor.



Community Service Projects

Not only did the Student Center do things for fun, but they also got people together to give back to the community. In these pictures you see L.C. Students raking leaves around town. Community Service says a lot to the Lincoln Community that L.C. Students are not just here for fun, but to learn and give back to the community

Additions to the Johnston Center.
Known as the "West Wing"

With enrollment going up every year, where are we going to put everyone? Well the answer to that question is easy. We will just build more buildings. This year we added another new dorm, a new admissions building, an addition to the Johnston Center for Performing Arts, and a new classroom building. Keep looking for more additions to the L.C Campus in the Future.

Graduation

The Time and place: Saturday, May 13, 2000 2:00 P.M. on the L.C.Campus. The Event: Graduation 2000. What a year it has been! So many wonderful friends have been made in so little time. Who will I stay friends with, who will I not see again? Those are just some of the questions roaming through your head. It could not have been a nicer spring day. Beautiful weather and your friends and family all together. What a great way to spend your last hours at L.C.

Cescili and Jennifer waiting
for the big moment

With Music by the Lincoln College Choral, the service started promptly at 2:00. The students were led in by the color bearers and student marshals and followed by the teachers. Reverend Paul Gilmore of the First Presbyterian Church read the invocation and then Dr. Nutt followed with a greeting. Honorary Degrees were given to Geenn A. Barton, Howard G. Buffett, James M. McPherson, and H. Safford Peacock. Mary McLaughlin read the names ans the students walked across the stage to get their diploma. In all the hour and a half ceremony seemed rather short in considering the time spent at L.C., but now we are on to bigger and better things.

Take a Closer Look...

While taking a closer look back on the year, we see many things we would have done differently if we had the chance. Where did the time go? There is no way to change things now, but who really knows how they would have ended up if we would have done things differently. I know there are many things i would like to change, but can't now. So we learn from our mistakes and hope that others don't look down on us too much. This book has been one of those learning lessons for us here at the LYNX staff. Yes it is late, but better late than never. I hope you are able to enjoy it as much as possible. It has been a slice of heaven looking back on the year and remembering all the good things that happened to us while we were here at Lincoln College. I hope that you can use this book to take a closer look into your past and be able to show your children what it was you did and who you knew while you were in college. Here's to the graduation class of 2000 and to all those who will come and go through this college in the future. Remember to not just let time go past you and the world revolve around you...take a closer look at your life and see if it is what you want it to be and make the best of each day.

Yours,

John
